iii. Site Location and Connectivity:

The project is strategically located near the upcoming bypass (expected to be completed in 2017) between NH-29 (Varanasi-Gorakhpur Road) and NH-56 (Varanasi-Sultanpur Road) which shall reduce travel time to Deendayal Hastkala Sankul (Trade center & Museum) from Varanasi Airport to 30 mins and from Sarnath to 20 mins. The location of the site also allows its connectivity to all prominent locations within Varanasi and Sarnath with a travel time of less than 1 (one) hour. The location is away from the congestions of the old Varanasi and also is expected to be the new growth corridor of development.
