Participants from various states, Apex Bodies, Primary Handloom Weavers Societies etc. participate in these Expo.

REQUEST FOR PROPOSAL:

NHDC invites online bids to apply against its RFP for "Empanelment of technical agency for Conceptualising, designing, fabrication, infrastructure works, Publicity/Printing including security services for exhibitions across India" and intends to empanel the agencies through competitive bidding process in accordance with the procedure set out herein.

Only the agencies capable of providing infrastructure material of Octonum System including printing/publicity, security services and having good experience of executing similar type of work are eligible to apply.

OBJECTIVE:

Empanelment of agencies for Conceptualising, designing, fabrication, infrastructure works, branding of pavilion & stalls, Publicity/Printing including security services for Handloom Exhibitions and other to be conducted across the country.

PLACES OF EXHIBITION:

Metros, Tier I, Tier II, Tier III Cities across the India.

SCOPE OF WORK:

The selected agency would be responsible for conceptualising, designing, fabrication of stalls & office space, infrastructure works, branding of pavilion & stalls, Publicity/Printing and providing security services for Handloom Exhibitions.

The agency/firm would be required to give Ethnic look to the ambience inside the exhibition area matching the Handloom sector. Only new/fresh items to be used. It shall be the responsibility of the selected agency to arrange material, man power and necessary expertise for executing the work including the security personnel. The pavilion & stalls should be made ready by selected agency one day before the commencement of exhibitions. The lay out plan and design including welcome gate and material to be used will have to be approved by NHDC beforehand

The selected agency has to ensure that the Infrastructure/ stalls are constructed in such a way so that there is ample movement space for the public and in case of any untoward incident the visitors can be evacuated as early as possible.

The selected agency would be required to coordinate with the Managers/inchagre of the land/place owning agency and must take their permission while setting up stalls etc. The selected agency would be required to tie up with the MC, Local Police, Traffic Police etc, so that the work of exhibitions can be executed smoothly. All the permission/Licenses along with the expenditure involved in getting these Permissions/Licenses from Local Fire Service, Labour Department, Licensing Branch, Local Police, Local

Traffic Police, Health Department, MC like horticulture, Enforcement, electricity, civil etc. would be the responsibility of selected bidder. It would be the responsibility of the selected agency to arrange for sufficient number of dustbins, fire extinguishers, chair, tables, canopies, during the event, exhibition should manned by adequate support staff, water proofing of stalls, round the clock fool proof security with required gadgets, cleanliness in the exhibition etc.

The selected agency has to ensure that the whole complex is properly lit and all stalls have sufficient electricity and power points. All electrical installations must be in accordance with the provision of the Regulations for Licensing and Controlling places of Public Amusement (other than Cinemas) and the performances of Public Amusement, 1980

Publicity panel/standees, hoardings, continuous flex panels on the outside of tin barricade with white cloth masking on the inside of tine barricades/partitions would be put up at the entrance gates, behind stages and at other prominent places in the venue giving due publicity to O/o DCH & NHDC at the cost of selected bidder with specific quantity to be determined in consultation with NHDC. The design & content for the same would be provided by NHDC. For masking only brand new clean cloth should be used by the agency. The Standees and small hoarding on schemes of O/o DCH/NHDC, drop downs, signages, banners, etc will be required to be put inside the exhibition area, if required. Further, the buntings/hoardings with theme (will decide later on) would also be required to be put up onto the electric poles/roundabouts at each exhibition. The design & number would need prior approval of NHDC.

Bill of Quantity (tentative): Proposed quantity of the items required for infrastructure works,

publicity/printing and security services for each Exhibitions across country.

Instructions to Bidders for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: https://eprocure.gov.in/eprocure/app.

1. REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

2. SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail

in case there is any corrigendum issued to the tender document.

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

3. PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

4. SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the

time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

5. ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk number 0120-4200462, 0120-4001002.
